Hi,

I researched the files and John was upgraded to the LS I when he was taken out of the GC/MS Lab and put into an area called methods development. At that same time Peter was put in GC/MS as a Chemist III. Do you think that this should be clarified with Chuck? Do you want me to respond? Also do you want me to send out an email to you and Chuck notifying you of the appeal? Thanks

Hi Julie, Back in May, we discussed a reclassification for Peter Piro from Chemist III, to Laboratory Supervisor I, and we changed his form 30 to show the increased responsibilities he undertook when he replaced John Donovan. Is anything going forward on this reclassification process? CBS

Hi Chuck,

Has any progress been made on my reclassification?

Thanks  
Peter
